

Do not memorize history

Bayram Deliktaş, our Turkish language and literature teacher, is carrying out an eTwinning project called "Do not memorize history" with a team of 5 students from class 10/B and a team of teachers and students from a total of five schools. Our students will exhibit the "Çanakkale" themed game about gaining historical awareness with the dramatization method. The aim of this project is to contribute to world peace by gaining historical awareness. We wish our teachers and students success in their studies.
